## 340BE A CERTIFIED EXPERT

# Apexus Advanced 340B Operations Certificate Program

INDUSTRY STANDARD. VALIDATED EXPERTISE.

### VALIDATE YOUR 340B EXPERTISE

The Apexus Advanced 340B Operations Certificate Program is the standard in the marketplace for validating 340B expertise and providing the highest level of insight needed to understand the current 340B landscape, maintain compliance, and manage a 340B program effectively. The assessment-based online curriculum offers in-depth 340B training to be completed at your own pace. Once you successfully complete the program and become a 340B ACE (Apexus Certified Expert), you'll join a group of experts with the most advanced level of 340B knowledge in the industry.

340B ACES GAIN MORE KNOWLEDGE

INCREASE **30%**

Learners increased their final exam score by 30 percent from their baseline exam after completing the Operations Certificate Program.

## Stand Out Among Your Peers

The curriculum is tailored for **high-impact** 340B roles:

- 340B Managers/Coordinators
- Consultants
- Pharmacy Directors
- Purchasers/Buyers
- Suppliers
- Software Vendors

## Become an Apexus Certified Expert (ACE)

### COMPLIANCE ISN'T OPTIONAL, NEITHER IS EXPERTISE

The program is designed to improve your understanding of compliance challenges, audit preparedness, and best practices.

Organizations hiring for their 340B team or looking for a consultant can use the public 340B ACE search feature to validate the expertise of ACEs to ensure that they are recruiting experts that meet the industry standard for 340B knowledge.

### ACCESS EXCLUSIVE 340B RESOURCES

Be a part of a unique community with access to exclusive tools that include webinars, videos from market leaders, and more.

Once registered, you'll receive an invitation to a private LinkedIn group that allows you to connect directly with other learners and 340B experts.
