

# Apexus Advanced 340B Operations Certificate Program Exam Process

1

To enter into the Apexus Advanced 340B Operations Certificate Program, you can:

- Attend 340B University live
- Watch 340B University OnDemand
- Have no prior enrollment in Apexus education offering(s)

2

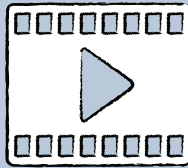

## Operations Certificate Entrance Exam

- Exam will be based on the level of information featured in 340B University
- Exam will ensure that you have prerequisite knowledge before entering the Certificate Program
- You can take the exam twice
  - 70% passing score
  - After second non-passing score, continued preliminary education recommended and there is a 1 month required wait time before retaking the exam

3

**REGISTER**

5

Watch Operations curriculum modules

4

## Operations Certificate Baseline Exam

Upon registration, you will take a baseline assessment

Register and pay for the program

6

## Operations Certificate Practice Exam

- Optional exam will help you determine if you are prepared for the final exam.
- You can take the exam twice.

## Operations Certificate Final Exam

- You have one year to take the final exam for certificate award from the time of completion of the last module.
- If you pass with a 75% score, certificate will be awarded
  - If failed second time, wait 3 months before retaking the exam
  - If failed third time, wait 6 months and then re-enroll repay registration fee (no need to retake entrance exam)

7

**Certificate Awarded**  
(searchable public lookup available)

## Certificate Renewal:

- You must renew every other year (from date of certificate award)
- To renew, watch an "Update module(s)" (340B Trends & Hot Topics 2019 module) and successfully pass the associated recertification exam (Recertification Exam 2019).
  - The total cost of recertification is \$200.

The Apexus Advanced 340B Operations Certificate program exams questions have been evaluated by an independent expert in testing and measurement to ensure that the questions meet accepted industry standards for test construction and content validity.

The Advanced 340B Operations Certificate Program is a separate Apexus offering that is not a part of the 340B Prime Vendor Program or otherwise associated with the Prime Vendor Agreement between HRSA and Apexus.
